- ① The Smith job - on documents while the melon was freshly burst open - the Brits.
- ② The follow up - 3 Big articulated documents - exploration teams - for intelligence and counter intelligence purposes - plan for State + USA also both officially (UN) and with other governments like LA - and also propaganda -
- ③ Henderson White Paper →
- ④ Cutting problems of the British - Labor Party and many others who got off on the wrong track and have stayed there - despite all efforts there for to bring them around. Stop
- ⑤ The New Anti Communist Committee (name) which we have inspired and really caused to be brought into being. Fixed dead in the arm to get it started.
- ⑥ Big job of reminders - reorientation -
